Updates on Activities

Covid Restrictions for Worship: Moving forward, because of the mandate from Dr. Bindelglass, we will be requiring everyone to wear masks in worship again and coffee hour will be put on hold.

August Hymn Sing: We need more hymns for fill out our August hymn sing.

Outdoor Worship: On August 29th we will be having another outdoor worship service, weather permitting, on the front lawn of the church. Please plan to attend and remember your chair, it is BYOC (Bring Your Own Chair). Invite your friends and family!

Just a reminder: Rev. Amanda will be away on September 5th and the service will be a YouTube worship service. A link with the bulletin will be emailed out in advance of the worship service. Communion for September will be moved to the second Sunday of the month.

Donation Opportunities:

1. The office is need of a new finance computer and so we are looking for donations to cover the costs.

Cost: \$550.00

2. Although we are attempting to save our deep freeze freezer in the kitchen, we are also looking at a replacement freezer in case it unsalvageable. So we may be asking for funds to replace the much used freezer.

Please specify in the memo line or in a note to the office which donation it is intended for.

Upcoming Events: Please stayed tuned as we reassess and make any new decisions regarding the annual Church Family Picnic on September 18th. You can still sign up to attend.
